

CAMSTRAND 2018

at the University of Manchester,
beautiful Chancellors Hotel & Conference Centre
Manchester, M14 6NN

Tuesday 26th & Wednesday 27th June 2018

**“Adapting to the
demands of 21st century
health research”**

Keynote Speaker

Dr Jacqui Stringer, The Christie Hospital
'How Essential Oils Might Contribute to the
Fight Against Antimicrobial Resistance.'

Pre-Conference Workshop

“Critical Appraisal, Blogging, and Social Media Workshop”
Andre Tomlin, The Mental Elf/The National Elf Service
<https://www.nationalelfservice.net>

“The RCCM's research conference 'CAMSTRAND' provides a forum for researchers with a range of experience as well as health professionals and therapists/practitioners/students with an interest in complementary medicine research to share their work and knowledge amongst like minded people.”
